

## Academic Plan as of spring 2023

### Program Description:

DJ like a Pro is a fun and exciting professional music DJ program like no other. After earning this certificate, you will be on your way to starting a professional career playing music as a DJ and Live Performer. You will receive in-depth training in DJ gear, software, and best practices in the DJ industry such as selecting the right music for an event, crowd, mood, or venue; creating unique mixes and song blends; and promoting your business and personal brand. Our professional and friendly instructors have many years of DJing experience in Las Vegas and beyond.

### Prerequisite:

- Aspire to DJ for Beginners (DJ1001) or equivalent knowledge and experience.

### Program Learning Outcomes:

- Understand the art, performance, technical, and business aspects of the DJ industry
- Understand how, why, and what music to play, and when it's appropriate
- Become familiar with, and practice using DJ software and hardware
- Build confidence and practice the skills essential to performing in front of a live audience and networking

### Program Requirements:

To earn the DJ Like a Pro Certificate, you must successfully complete the DJ Like a Pro Certificate Program course.

### Required Courses:

- DJ Like a Pro Certificate Program (DJ1002)
